Academic Courses/Programs

The College Experience - Year 1

Eastern Maine Community College

This 24-hour course is designed for the adult education student, high school senior or high school graduate who is interested in advancing to college. The course is designed to empower students to achieve success to college and life. Some of the course topics include: the financial aid process, the college application process, Accuplacer Testing, characteristics of successful students, campus life, research skills, personal financial literacy and writing for college. Students who successfully complete this course will earn one credit from Eastern Maine Community College!

Mondays, Starting February 13
 Instructor: Matthew Tardie
 Course Fee: Free to local residents

6:00-8:30 pm

Developmental English

American Society Through Film - Hampden Academy

This high school level course will allow students to hone their skills in reading, writing, listening and critical thinking. Students will examine various literary genres as well as engage in a variety of activities designed to improve basic knowledge and skills in this course.

Tuesdays, Starting February 14 (no class on February 21 and April 18)
 Instructor: Tom Leonard
 Course Fee: \$20.00 (Free to residents working on a high school diploma.)

High School Completion Courses

HiSET & ESL Instruction

Our program provides adult learners with the opportunity to earn an adult education high school diploma or a high school equivalency (HiSET) diploma. Class sizes are small and an experienced team of instructors provides courses designed to meet the different needs and learning styles of our students. Online courses and individual-paced courses are also available for students to take. Most of our high school completion courses start in mid-September, but we do accept students into our program throughout the academic year on a rolling admission basis.

College Transitions

Our College Transitions program is designed to help students successfully prepare for college. We help adult learners who are earning their high school diploma or HiSET certificate successfully transition to college. We also help adults who already have a diploma prepare for their college experience.

Contact us if you would like to discuss with us some of the following College Transitions services that we offer:

College Exploration and Planning

Courses: Algebra / Biology / Writing for College

College Readiness Courses

Accuplacer Prep and Testing

College Application Assistance

Advising Services

Distance Learning Courses

We are very excited to be able to offer nearly 500 interactive courses that you can take entirely over the internet. A wide variety of professional development and personal enrichment courses are now available for registration. All classes are led by expert instructors, fit into convenient six-week formats and are reasonably priced. Some of the more popular courses available are:

A to Z Grant Writing
 Real Estate Investing
 Computer Skills for the Workplace
 Learn to Buy and Sell on eBay
 Microsoft Word, Excel, PowerPoint
 Introduction to Interior Design
 Publish and Sell Your E-Book
